

The Horns (feat. Greg Nice, DJ Kool Deborah Lee)

DJ Katch

Hit me with the horns! This is the hit to make you jump all around
This is the hit to make the speed get DJ Katch you the (were?) DJ-Crown
Ain't hard to blow in the background
From Germany way down to Cape Town
Bartender c'mon
pass another round
Don't mean later
I mean right now
Let's get twisted
Get lifted
Up in the club
You know
This is that song
We gotta' goin' on DJ Katch, yo
Hit me with the horns
This is the track to make you loose your mind
This is the track to make you press rewind
This is the track to make the girls look fine
This is the track to make you feel your smile
This is the track to throw your hands in the air
and wave'em around like you just don't care
This is the track to throw your hands in the air
and wave'em around like you just don't care
This is the track to throw your hands in the air
This is the track to throw your hands in the air
This is the track to throw your hands in the air
air, air...
Hit me with the horns
