

# Slut

## Jaz-O & The Immobilarie

See that girl  
Watch her dance  
If I knew her name  
I wouldn't have to  
Sit on my handsIf my mouth don't work  
I get some help  
And she don't mind  
If I don't keep my hands  
To myselfYou're all right  
You put up such a good clean fight  
I'm afraid that you lose tonightSlut  
She may be a slut  
But she looks good to meYou're so clean, so refined  
You don't care to get messy  
Just to have a good timeShe's got saggy thighs  
And baggy eyes  
But she loves me in a way  
I can still recognize
