Wet

Omarion

[Intro]
Can I lick your body down, do you like it like this, can I push it right there, hey!
Can I lick your body down, can I push it right there, do you like it like this, yeah!
I'm gon' take my time, you should know that before we start...
I hope that you're ready girl cause it's time for you to get punished...
Inside of this bed... oh I'm goin' crazy messin' up your hair... oh no.
Baby you turn me on [6x]
I wanna knock it out [3x]
[Chorus:]
Girl, I'm gon' make you see that, you gon' want me back... girl you won't forget.
Whipcream, baby oil... spank you cause you spoiled, I'm gon' get you wet...
Candles is all burnt up, imma have you turnt up, imma make you wet.
Imma make you wet, wet, wet, wet. I'm gon' make you weeeeeeeeeet.
Wet. Weeeeet ohhhh, weeeeet yeeeeah!
"You know, imma just let the music ride, while we doin' what we do".
[music break]
"Can you feel me, can you feel it, is it heavy, do you feel it, is it heavy,
do you feel it, can you feel me, do hear me... do you feel it?"
Girl I'm gon' make you see that, you gon' want me back... whipcream, baby oil... spank you cause you spoiled...
Weeeeeet. Weeeeeet ohhhh, weeeet yeeeeah!
[Chorus]
