

No Me Niegas

[Stephen Stills](#)

Don't turn your back on me, I love you
It may not mean that much to you, that's okay
But don't you turn away
Let me hear you say I love you why si tu no me comprendes dijame lo
Yo te dejar tu sola why yo llorando
Why lo que llegar you lo pasara
Como quieres querida como quieres tu There may be an angry sky above us
Come, let's look into our eyes and love us
'Cause I won't turn away
Let me hear you say I love you No me dejes miserable que quiero
Why si vienes de su corazon como sientes
Oiga querida escucha me mi amor
De quiero infinitamente por toda nuestra vida
