

This Is Your Night

Heavy D

[Intro - Heavy D talking]

Ugh

Hey, heh ha ha

This one goes out to all those who want to do their own thing why'knowI'msayin?

Tonight is dedicated to you

Do what you want to do, have fun

You call the shots, and it's on me ha HA

Here we go

Bring it onni onni onni onni on one

No matter what they say, no matter what they do

Tonight is your night so do what you want to

Grab a girl, grab a guy, say hi, say ho

Throw your hands in the air and let the music flow

Now here we go, once again it's the man with the wings on the double

Got my shovel and I'm diggin for skins

Now everything is alright, nobody's uptight

Could be the lights but all the girls look right

Now I'm coolin in the corner with a cutie named Judy

and a girl named Sheryl, said she been around the world

Went and strolled on her own through the club on a rub-a-dub tip

tryin to snuggle up wit another honeydip

I see my peoples on the dancefloor doin their thing

As I 'gan to sing, believe me it's a black thing

The party's all jumpin, everything is alright

So do what you want to do 'cause it's your night

[Chorus - The Boyz]

Tonight - This is your night

Tonight - Everything's gonna be - alright

This is your night

Tonight - Everything's gonna be - alright

This is your night

Tonight - Everything's gonna be - alright

This is your night

Tonight - Everything's gonna be - alright

[Heavy D]

I need the dancefloor stacked with back-to-back blacks

and blunts to get contact, some stunts to get tumtaps
The night is still young, the fun is still fun
Everybody move your body, it ain't nuttin but a party
Folks can I get a "ho"? (HO)
Ladies can I get a "oww"? (OWW) so hear me now
It's a regular routine thing where brothers do their thing
It ain't Arsenio, but it's definitely a night thing
The atmosphere is a rap-most-fear
and everybody from nowhere to somewhere is here
So act like you know, and float with the flow
You heard it on stereo, see it on the video
Everybody's workin up a sweat
Even though roughneck is with the roughneck step
The party's all jumpin, everything is right
So do what you want to do 'cause this is your night

[Chorus - The Boyz]

Tonight - This is your night
Tonight - Everything's gonna be - alright
This is your night
Tonight - Everything's gonna be - alright
This is your night
Tonight - Everything's gonna be - alright
This is your night
Tonight - Everything's gonna be - alright

[Heavy D]

I got the goods and the goodies, some brothers be in hoodies
and some girls be in tight jeans, it's part of the night scene
Everybody is freshly dipped
Brothers be at the bar actin like movie stars, set to flip
The whole crowd's in a good groove, eatin the good food
Soul food to keep you in a good mood
Champagne flowin, people hey-hoin
Time just passed without ya even knowin
Party's like pretty sights, late nights
Flexed from a set to the next set, it's aight
The party's only jumpin, everything is tight
So do what you want because it's your night

[Chorus - The Boyz] x2

This is your night
Tonight - Everything's gonna be - alright
This is your night
Tonight - Everything's gonna be - alright

This is your night
Tonight - Everything's gonna be - alright
This is your night
Tonight - Everything's gonna be - alright
