Vesuvius

Defused

Vesuvius, I am here You are all I have Fire of fire, I'm insecure For it is all been made to plan Though I know I will fail I cannot be made to laugh For in life as in death I'd rather be burned than be living in debt Vesuvius, are you ghost Or the symbols of light Or a fantasy host? In your breast I carry the form The heart of the Earth And the weapons of warmth Vesuvius, the tragic oath For you have destroyed What the elegants know Oracle, I've fallen at last But they were the feast Of a permanent blast Vesuvius, oh, be kind It hasn't occurred No, it hasn't been said Sufjan, follow the path It leads to an article of imminent death Sufjan, follow your heart Follow the flame or fall on the floor Sufjan, the panic inside The murdering ghost that you cannot ignore Vesuvius, fire of fire Follow me now

> As I favor the ghost Vesuvius, fire of fire Follow me now As I favor the ghost Vesuvius, fire of fire Follow me now As I favor the ghost

Vesuvius, fire of fire Follow me now As I favor the ghost Vesuvius, fire of fire Follow me now As I favor the ghost Vesuvius, fire of fire Follow me now As I favor the ghost Vesuvius, fire of fire Follow me now As I favor the ghost Follow me now Or follow me down Why does it have to be so hard? Follow me now Or follow me down Why does it have to be so hard? Follow me now Or follow me down Why does it have to be so hard?
