

# Coming Home

Eric Saade

I'm coming home, I'm coming home  
Yea-ah! Funny, how she's, caught up runnin' in my head  
Girlfriend, not yet, we just met  
Only been a couple weeks, but this girl is so unique, yeah  
Useless, screw this, I'm with her by midnight I'm coming your way; I'm coming your way  
For you  
Girl I'm gonna prove that;  
I'd go out of my way  
Out of my way for you  
Cause baby, the truth is I've been on the road, been all alone  
So far away, so gone  
To another place, a different day  
Wish I could see your face  
I figured it out, oo-o-o-oh  
Home is where your heart is around  
I figured it out, oo-o-o-oh  
Home is where your heart is around, round, yeah! I'm coming home; I'll fly across the globe  
I'm coming home, coz your heart is my home... Rivers, mountains  
Don't care what comes up ahead  
Hair-did, lipstick  
Memories from the last time we had a night  
There was something in your eyes, yeah  
Even, speakin', telling me to follow I'm coming your way; I'm coming your way  
For you  
Girl I'm gonna prove that;  
I'd go out of my way  
Out of my way for you  
Coz baby, the truth is I've been on the road, been all alone  
So far away, so gone  
To another place, a different day  
Wish I could see your face  
I figured it out, oo-o-o-oh  
Home is where your heart is around  
I figured it out, oo-o-o-oh  
Home is where your heart is around, round, yeah! I'm coming home; I'll fly across the globe  
I'm coming home, coz your heart is my-I wanna be down; that's why I reach out  
I'm keepin' my cool; I ain't tryin' to freak out  
I'm feeling the vibe, when I'm with you  
I gotta admit girl

I kinda miss you, I kinda miss you  
I kinda admit girl  
I kinda miss you, I kinda miss you  
I kinda miss you, you, youI've been on the road, been all alone  
So far away, so gone  
I've been on the road, been all alone  
So far away, so gone  
To another place, a different day  
Wish I could see your face  
I figured it out, oo-o-o-oh  
Home is where your heart is around  
I figured it out, oo-o-o-oh  
Home is where your heart is around, round, yeah! I'm coming home; I'll fly across the globe  
I'm coming home, coz your heart is my home...
