## The Dangerous Summer

What ya got now, gotta gotta give up  
What ya got now, gotta gotta give up  
What ya got now  
What ya got now We keep ourselves a mystery  
But we provide, provide the clues  
So the rest is up to you  
And don't forget to check the obvious  
We are so serious  
So I guess it comes down to how curious you can be What ya got now, gotta gotta give up  
What ya got now, gotta gotta give up  
What ya got now  
What ya got now Drama doesn't follow me, it rides on my back  
I may be ugly, but they sure love to stare  
Drama doesn't follow me, it rides on my back  
I may be ugly, but they sure, but they sure,  
Love to stare And you check labels more than the FCC  
And these calories are, are killing me  
But this is a sticky situation  
So keep your chest in the game  
And drop your jaw and coax me What ya got now, gotta gotta give up  
What ya got now, gotta gotta give up  
What ya got now  
What ya got now Drama doesn't follow me, it rides on my back  
I may be ugly, but they sure love to stare  
Drama doesn't follow me, it rides on my back  
I may be ugly, but they sure, but they sure This is a party without the people  
This is a show without the sound  
This is a dance without the steps  
Now I gave you the clues so find what I found  
This is a party without the people  
This is a show without the sound  
So I gave you the clues  
So find what I found Drama doesn't follow me, it rides on my back  
I may be ugly, but they sure love to stare  
Drama doesn't follow me, it rides on my back  
I may be ugly, but they sure love to stare
