

Conspiracy Theory

Angels of Babylon

Are they just stars in the sky
Or answers we don't realize
Visitors that we have been
or was it a terrible dream
Is it in my mind or just a Conspiracy Theory
Am I just blind, another Conspiracy Theory
Do you believe what your eyes see
Do you believe, can you tell me
Are we the only ones that exist
Through out a universe that's endless
Or have they come light years to see
A creature beyond all belief

B-SECTION

The circles of light
Will scan through the sky
Like thieves in the night
For intelligent life
