

# Whiteout

## Pitchshifter

Perfect, your pictures, your lies  
Promises can't reason can't hide  
On and on (keep moving keep tight)  
Cheated, I've seen it I know  
Beaten keep moving keep slow  
I feel so; whiteout, it's beaten, wasted, no, no  
Option? No option I know  
Twisted can't function feels slow  
On and on (keep moving keep tight)  
Cheated, I've seen it I know  
Beaten keep moving keep slow  
I feel so; whiteout, it's beaten, wasted, no, no  
Cheated (you're cheated) I know, I know  
Beaten (I feel it) feels so feels so  
I feel so; whiteout, it's beaten, wasted, no, no
