# Channels

## The Explosion

High on hopes, down on my luck
I've struck out, I don't give a fuck
The channel keeps changin'
But it's always turnin' back to youWhat are we gonna do now?
Where do we go from here?
What are we gonna do now?
Where do we go from here?Something tells me I've been here before
You ask me to stay but I'm out the door
The channel keeps changing
But I know this time it's throughI'm turning it off, I've seen enough
I hear the ring but I'm not picking up
The channel keeps changing
But it's all the same to me
