

Out of Focus

Mick Jagger

Advisory - the following lyrics contain explicit language:

I saw a glittering moon
I saw a beautiful morning
Shining on the hill
And I grabbed the cat by the tail
The future with my finger nails
But now I live in fearIt's all out of focus
It's all, baby, so unclear
It's all out of focus
It's all, baby, so unrealI saw towering spires, I heard beautiful chimes, I heard them peal
I saw visions of grace, I saw heavenly place, then it disappearedMaybe I lied a little bit too much
Maybe I cried a little bit too much
I saw the future just shatter in glassIt's all out of focus
It's all, baby, so unclear
It's all out of focus
And nothing is revealedI was walking on clouds, yeah and talking so proud,
but I did not hear
Voices singing so loud, said you're tumbling down,
to the streets of tearsMaybe I lied a little bit too much
Maybe I cried a little bit too much
I saw the future just shatter in glassIt's all out of focus
It's all, baby, so unclear
It's all such a joka
It's all, baby, so unrealSometime I lied a little bit too hard
Sometime I cried a little bit too hard
I saw the future just vanish like glassIt's all out of focus
It's all, baby, so unclear
It's all out of focus
And nothing is revealedEverybody tell meIt's all out of focus
It's all so unreal
It's all out of focus
It's all out of foca
And nothing is reveal -

It's all outa focus
Focus
Focus Focus
It's a all all all
It's a all all all.....
