Flogging The Horses

Sikth

Flogging the horses
Report in the office
Camels walking free
Drinking honey teaFlogging the horses
Report in the office
Camels walking free
While they're drinking honey tea
Let's encourage the freedom of speech
Then kill it with a bullet down on its knees
Rampant remains, shattered in disdain
Your work is gone, the trauma lives on
Rampant remains, shattered in disdain
Your work is done, the trauma lives onLet chickens escape their torturous fate
Let the eagles fly in the wild
Let knowledge be learnt from the chosen child (jesus)
Wait for something wild
You talk of the sane, so show is the way
This world is ours to feed
But then you open the door and
Everyone hits the floor
Why should these people bleed?No sign of the boots
To free and to loot, all they can see
We travelled so far, we travelled so far
Boots on the loose, goose in a noose
Why all this envy and hate?
Shape me a tooth, to replace like a spoof
Still it looks real all the same
Still it looks real all the sameLet apes roam free
Let people be (let people be)
What they are and are
Nine to to five ain't the same in the wild
Nine to to five ain't the same in the wild
Nine to to five ain't the same in the wildLet apes roam free
Let people be (let people be)
What they are and are
Nine to to five ain't the same in the wild
Nine to to five ain't the same in the wild
Nine to to five ain't the same in the wildWashed up crows and unwashed clothes
The mile isn't done 'til you run through the hum

Empty shoes drowned by those fools
All together, bitter weather
It's the same as ever, it's the same as ever, when is never?
(Pecking, pecking) this week we weep
Then back asleep we fall
Into the same old shoe
Into the same old shoes, you fall into
The same old shoe
You fall into the same old shoe
