

Say My Name (Instrumental)

Faydee

Hold me closer
Don't let me go
Till I tell u so
I'm over, I get to u but... before u goChorus:
Now say my name say it loud
The way I like, like u know how
Say my name, say it loud
Make it... it's the last time will be around
Say my name say it loud
The way I like, the way I like
Say my name, say it loud
The way I like, the way I like
U make my heart go (x3)Can't u make
I know what to do
To make u sway
Baby go down make it alive
That I will never forgetChorus:
Say my name say it loud
The way I like, like u know how
Say my name, say it loud
Make it... it's the last time will be around
Say my name say it loud
The way I like, the way I like
Say my name, say it loud
The way I like, the way I likeU and I don't know
What we lie so don't let more time pass on
I know u won't understand
Byt the end of the night
You'll be screaming my nameSay my name (x7)
It's like the last time will be around[Chorus:]
