Fair Weather

Herbie Hancock

When we walk, side by side, like brothers,
Oh, glory will stand up and whirl.
Then Gabriel will blow as he never has blown before.
There'll be fair weather,
Together,
Side by side.
It will know, that hate will die, and love will win.
So go forth, heroes!
Peace on earth, and good will to all
Who make it divine and so real.
Plant seeds for good deeds, like the trees and of course, love will grow!
Money doesn?t fit into the scheme of things,
So how can a house be built on angel wings?
Fair weather,
Together,
Fair weather my friend.
When we walk, side by side, like brothers,
Oh glory will stand up and whirl.
Then Gabriel will blow as he never has blown before.
There'll be fair weather,
Together,
Fair weather my friend.
