Addicted (ft. Alexander Tidebrink) & Ted Nights

Vigiland

Long long time ago
I was in the dark in need of love
But then i turned away from them who fucked me overI live just like a thug
Crashing different windows in my hood
Just to show the world that im a fucking marvelCause im addicted to pain it's my heroin
Feel the strangest things creeping under my skin
And i know that it's real cause i'm dancing
Yeah im dancing
On my heroin
im addicted to pain it's my heroin
Feel the strangest things creeping under my skin
And i know that it's real cause i'm dancing
Yeah im dancing
On my heroinBreathe breathe breathe it out
Feeling all the chemicals hitting my blood
And i know that it wont stop because im hurtingFill fill fill my cup
Pour some alcohol in please mister
Give me something good, so i will stop the dancingCause im addicted to pain it's my heroin
Feel the strangest things creeping under my skin
And i know that it's real cause i'm dancing
Yeah im dancing
On my heroin
im addicted to pain it's my heroin
Feel the strangest things creeping under my skin
And i know that it's real cause i'm dancing
Yeah im dancing
On my heroin
