Back Home

Hazen Street

I can't believe two years have gone by
I hold my head and think about the times
You know I never thought I'd leave there
But looking back nowI had to grow, had to breathe
These city streets, they didn't feed
I made my mark, did my part
It's in my heart, I'm reminiscing nowNo matter where I stay
I find my way back home
(Back home)
And I'll never forget those days
No, I'll never forget youI can't believe so much has changed
My old neighborhood, it's not the same
It's like, it's like I never lived there
But here I am now, I wanted moreHad to leave before the city life
Would get the best of me
Start new life with my family
Still this thing beats inside of meNo matter where I stay
I find my way back home
(Back home)
And I'll never forget those days
No, I'll never forget youNo matter where I stay
I find my way back home
(Back home)
And I'll never forget those days
No, I'll never forget youI can't take it back, I can't live in the past
I know where I'm from, I know where I'm at
I can't take it back
(You can't take me back)
I can't live in the pastI can't take it back, I can't live in the past
I know where I'm from, I know where I'm at
I can't take it back
(You can't take me back)
I can't live in the pastCan't believe two years have gone by
I hold my head and think about the times
You know I never thought I'd leave there
But looking back nowNo matter where I stay
I find my way back home
(Back home)
And I'll never forget those days

No, I'll never forget youNo matter where I stay
My heart will stay back home
(Back home)
And I'll never forget those days
No, I'll never forget youNew York, MIA, LAX, back to JFK
(No, I'll never forget you)
L.E.S, Westside 95, NY till we die
(No, I'll never forget you)
New York, MIA, LAX, back to JFK
L.E.S, Westside 95, NY till we die
