Ragga

Magiera & L.A.

(Tricky)
Someone wanna come around
Dumpin fun around
I bring my bat around
And pop one in your shoulder
(2x)
Pop one in your shoulder(Martina)
I'll be the same
I'll be the same... a pacifist (?)
Cruising on my list (?)
Feeling...
...
(2x)I come as fast as this
Like a Viper Kiss
Tricky make a vapour
Make you get your cold onI wrap my tongue around
You get to be the clown
I come like underground
I make you feel olderOh I like it so much
I'm doing things I wouldn't normally do
And when it comes to your touch
I'm doing things I wouldn't normally doI wrap my tongue around
You get to be the clown
I come like underground
I make you feel olderI wrap my tongue around
You get to be the clownOh I like it so much
I'm doing things I wouldn't normally do
And when it comes to your touch
I'm doing things I wouldn't normally do(Tricky)
Someone wanna come around
Dumpin fun around
I bring my bat around
And pop one in your shoulder
(2x)
Pop one in your shoulder
Pop one in your shoulder
Pop one in your shoulder(Martina)
Oh I love it so much
I'm doing things I wouldn't normally do

And when it comes to your touch
I'm doing things I wouldn't normally do
(3x)
