Stuck In a Crowd (Prufrock Among the Cannibals)

Alpha Rev

Come inside
Stay a while
Make a wish
Crack a smileThe stars are falling
All because
You're wondering what it's like
To fall in love
What its like to fall
Like to fall in loveWe're stuck in a crowd
Wondering where you are
Looking for someone else
To tell me what I already know
We're stuck in a crowd
Looking for you to come
Getting me out of thisEvery moment
You belongYou are trying to stall
Building walls
You call us all
You color us allWe're stuck in a crowd
Wondering where you are
Looking for someone else
To tell me what I already know
We're stuck in a crowdLooking for you to come
Getting me out of this
Getting me out of this
Getting me out of this
We're stuck in a crowdCome inside
Stay awhile
