

Darkness

Disturbed

Don't turn away
I pray you've heard the words I've spoken
Dare to believe
Over one last time and then I'll let the Darkness cover me
Deny everything
Slowly walk away
To breathe again
On my own Carry me away
I need your strength to get me through this
Dare to believe
Over one last time and then I'll let the Darkness cover me
Deny everything
Slowly walk away
To breathe again
On my own, on my own
On my own, on my own
On my own Dare to believe
Over one last time and then I'll let the Darkness cover me
Deny everything
Slowly walk away
To breathe again
On my own, on my own
