Brand New Life

Colton Dixon

From cynical to miracles
He's opening my heart and mind
It's physical, it's spiritual
The evidence isn't just inside
But there's more than meets the eyeHe's not looking for numbers
Not counting our sins
It's total acceptance from within
Fulfilling the hunger, the running is done
And we know that love has comeLay down the pain you carry
It's a new life, ready or not, ready or not
He'll take the weight, so heavy
It's a new way, ready or not, ready or not
Just sit back, enjoy the ride
Welcome to your brand new life
Shake the ground, hear the sound
Rebuilding everything you are, whoa
We're not the same, the game has changed
There's healing now for every scar
Every broken heartHe's not looking for numbers
Not counting our sins
It's total acceptance from within
Fulfilling the hunger, the running is done
And we know that love has comeLay down the pain you carry
It's a new life, ready or not, ready or not
He'll take the weight, so heavy
It's a new way, ready or not, ready or not
Just sit back, enjoy the ride
Welcome to your brand new life
Lay down the pain you carry
(Carry, carry, carry)
Ready or not, r-r-ready or not
He'll take the weight, so heavy
(Heavy, heavy, heavy)
Ready or not, r-r-r-ready or notLay down the pain you carry
It's a new life, ready or not, ready or not
He'll take the weight, so heavy
It's a new way, ready or not, ready or not
Just sit back, enjoy the ride
Welcome to your brand new lifeJust sit back, enjoy the ride

Welcome to your brand new life
