Crossing The Line

Default

I've broken clean free off the leach now
I don't have to go and please you anymore
You fooled me, fooled them, fooled the whole crowd
You're not up on that cloud to look down anymore
I'm feelin' alive
Now that no one is left at my side to drag me down
I'm crossing the line
And I'm takin' all that is mine to carry on
Keep all your thoughts to yourself now
I don't need to trip on those words anymore
You blame me, blame them, blame the whole town
Don't you try to look down at me anymore

I'm feelin' alive
Now that no one is left at my side to drag me down
I'm crossing the line
And I'm takin' all that is mine to carry on
I'm feelin' alive
Now that no one is left at my side to drag me down
I'm crossing the line
And I'm takin' all that is mine to carry on
I'm feelin' alive
I'm crossin' the line
I'm feelin' alive
I'm crossin' the line
