

I Believe

CfaN Worship Uk

I believe You're still the same
I believe You've never changed
I believe
I believe in miracles
Impossibles made possible
I believe God will You come and meet us
God will You come today
God will You come
And answer us we pray There is power in Your name
I believe we don't ask in vain
I Believe
I believe Your listening
To all the prayers that we bring,
I believe
