Under the Stars

Monaco

I'm high on a hill
I watch as the day begins
It seems such a thrill
I'll never come downI sit here and wait
Just dreaming my life away
And though I try and hide the pain
Somethings are never gonna changeSo let the violence begin
If we can fight then we can win
We'll share the love
That's in our hearts and in our soulsSo let the violence begin
If we can fight then we can win
We'll share the love
That's in our hearts and in our soulsI'll take my time
Think about everything
And the fool on the hill
Can't take anymoreAnd now that I know
I swear I'll never let you go
But the sunshine brings the rain
And then it's time to start againSo let the violence begin
If we can fight then we can win
We'll share the love
That's in our hearts and in our soulsAnd now I'm all alone with you
Oh yes, that's why I'm so alone and blue
I feel like dying, I feel like dying
No matter what I do or say
I'm gonna do it to you anyway
I feel like dying, I feel like dyingSo let the violence begin
If we can fight then we can win
We'll share the love
That's in our hearts and in our soulsSo let the violence begin
If we can fight then we can win
We'll share the love
That's in our hearts and in our souls
