

Hooked On You

[**Albert Collins**](#)

Don't you do it
Lordy so good like that
Don't you do it
Gimme all you got like thatDon't you do it
My temperature's shot so high
Don't you do it
My senses is so aliveMercy, mercy I'm a lonely man
Burn all night when the fires fannedI'm goin' hooked on you
Hooked on you
A hooked on you
I'm goin' hooked on youDon't you tease
Gimme somethin' to hold on tight
Won't you please
I ain't lookin' for just one nightWon't ya please
I want ya to please some more
Don't ya tease
Then I'll never let ya go out that doorMercy, mercy I'm a lonely man
Burn all night when the fires fannedI'm goin' hooked on you
I'm goin' hooked on you
Goin' hooked on you
I'm goin' hooked on youOw baby, I'm so hot with desire
Don't you tease, how long, huh
I'm gettin' higher an' higher
Treat you goodOw, I might scream for more
Once I get you home
And I'll never let you goMercy, mercy, I'm a lonely man
Burn all night when the fires fannedI'm goin' hooked on you
I'm goin' hooked on you
I'm goin' hooked on you
I'm goin' hooked on you, ow
