

One More Time

Lari White

I know
You`re sneakin` out the back door taking it down the street
And I know
You`re thinking that you got some little secret up your sleeve
But I know
You`ll be back around with your hat twisted in your hand
Beggin` me please
And I bet I let you in again `cause it`s just
One more drop in the bucket
One more tear I`ve cried
One more think I love to hate about you
One more mm, mm, mm, let it slide
That`s the way you do me but when you do it to me
I`m beggin` you to do it to me one more time Now I know
You only ask for trouble takin` up with a ladies man
But you know
Just the thing to say when the spit really hits the fan
Lord knows
I`m sleepin` with the devil and there`s gonna be some hell to pay
But you`ll find a way
Of making me believe that baby it`s just One more drop in the bucket
One more tear I`ve cried
One more think I love to hate about you
One more mm, mm, mm, let it slide
That`s the way you do me but when you do it to me
I`m beggin` you to do it to me one more time You spend my money `til it`s gone
But then you rock me all night long
The way you hurt me is a crime
The way you love me is so fine
Lord you make me crazy but when you do me baby
I`m beggin` you to do it to me one more time
