

# Pop Army

[NJ Taylor](#)

Pop Army X3 This is a reflection of our generations  
Hypnotic beats get us lost in the rhyme  
A representation of our nations  
Creating history one beat at a time It'll never let you down  
It'll always be around  
It'll never let you down  
Cause it's our sound Come join the Pop Army  
March to the beat, come join the [pop army]  
You gotta get on your feet, come join the [pop army]  
Sound the alarm, come join the [pop army]  
Throw down your arms, come join the [pop army] It's no exception they all have a mission  
Keep our bo-bodies buzzing, ears pleading for more  
It's a celebration, they all play a role  
In shaping the soundtrack to tomorrow It'll never let you down  
It'll always be around  
It'll never let you down  
Cause it's our sound Come join the Pop Army  
March to the beat, come join the [pop army]  
You gotta get on your feet, come join the [pop army]  
Sound the alarm, come join the [pop army]  
Throw down your arms, come join the [pop army] Pop is gold  
It's legendary  
Just a mirror reflection  
Of our society  
Pop is gold  
It's legendary  
Where you can get away from it all  
Escape reality Come join the Pop Army  
March to the beat, come join the [pop army]  
You gotta get on your feet, come join the [pop army]  
Sound the alarm, come join the [pop army]  
Throw down your arms, come join the [pop army] Pop is gold, it's legendary X3  
Where you can get away from it all  
Escape reality  
Come join the Pop Army Pop Army X13
