

Apollo

Last Dinosaurs

VERSE 1:

I don't want to know
You're driving me crazy
Say it again my memory's hazy
I'm falling down the rabbit hole again, yeah
All things in time will fade away
But I by design will never stray from knowing this life is not the one for me
CHORUS:
Oh I'm ready to be somebody else
I'll forget how to feel the things I've felt

VERSE 2:

Ideas in the air
The miracle methods
I'll never get
I'm easily tempted
I'll follow you if you're offering the truth, yeah
My mind is made up
I'm willing to come down and wake up
The longest I would know of this life
It's not the one for me
CHORUS
BRIDGE:
One more time
I need to see you one more time
I'm leaving 'cause I need to know if there's more than this, yeah
CHORUS
