Here Before

The Feelies

Oh, what a gray and hopeless day
I've got a worried mind
The sun's behind the clouds again
And so am I
I ask the sky
Tell me which way to go, how will I know to shine again?

I've been here before, I've seen it all
And I can't take no more, I mean it
I'll go

And this is the time, the time to change my life
Yeah these are the times reaching up to find

A window out of doom and doubt
A remedy for agony or ?

I've been here before, I've seen it all
And I can't take no more, I mean it
I'll go
You heard it all and more, I beat it and took hold

And these are the times, time to change my life
Yeah these are the times reaching up to find

Whoa-oh-oh-oh
I took the wrong way home
Whoa-oh-oh
I took the wrong way home
Whoa-oh-oh-oh
Whoa-oh-oh
I took the wrong way home
Whoa-oh-oh-oh
Whoa-oh-oh
Whoa-oh-oh-oh
Whoa-oh-oh-oh
Whoa-oh-oh-oh
Whoa-oh-oh-oh

I've been here before, I've seen it all

I can't take no more, I mean it
I'll go
What's this screaming for?

And this is the time, the time to change my life
Yeah these are the times, reaching up to find
Reaching up to find
Reaching up to find
Reaching up
Reaching up
Reaching up
