

We Are The Few

Streetlight Manifesto

Dear Mr. Gepetto, I hope this finds you well

I wrote you this letter

'Cause I miss you here in hell And now I know it's hard when you don't know what to think

And every single smile is a thorn when you're waking up

You might try but you won't get by

Until you're crucified for all the things you try to do I don't care if you sink or swim

And I don't care how you hold it in

As long as you don't bother me

With all the things I don't bother you with And 9 times out of 10 you might be right

But what about that time you know you're wrong?

You're singing that same song

And everybody smiles but they'll never get along I'm trying and I'm trying and I'm trying and I'm trying to let
go

But everybody's going down tonight We are the few that won't say nothing right

We are the footsteps fading into the night

Nobody cares and nobody stares

With such conviction and I say I never wanted this, no one ever wanted this

But they gave it to me so I might as well be proud of it

I don't know where we went wrong

All I know now is I got to do something right So come clean

No one should have to live with the things you've seen

But you're living anyway Well, I stop the car and put her in park

And I step outside, God I hate this part

When I see what I saw what I thought was a life

That was more than a chore I'm just doing what I need to get by I don't care if you leave or stay but you might
as well split

Because it's not the same as it was

When we said our last goodbye

And if you want the truth I was hoping one of us would Pass away because it'd be much easier then

We could all get together and think about when

We were young we were dumb we were numb but in love

And I'm done so I'm sending out this letter today I'm trying and I'm trying and I'm trying and I'm trying to let
go

But everybody's going down tonight We are the few that won't say nothing right

We are the footsteps fading into the night

Nobody cares and nobody stares

With such conviction and I say I never wanted this, no one ever wanted this

But they gave it to you so you might as well be proud of it

I don't know where we went wrong

All I know now is I got to do something right
This has been the best night of my life
This has been the best night of my life
I could have lost my life and I would have lost my mind
But now I'm fine and I find that this has been the best night of my life
This has been the best night of my life
(I still can't believe they had the heart to apologize)
This has been the best night of my life
(I still can't believe they had the heart to apologize)
I could have lost my life and I would have lost my mind
But now I'm fine and I find that this has been the best night of my life
And as the day fades no one investigates
Nobody answers when she calls his name
Another victim, somewhere in a shallow grave
I want to hold her and tell her it's not your fault
And as the day fades, no one investigates
Nobody answers when she calls his name
Another victim, somewhere in a shallow grave
I want to hold her and tell her it's not your fault
It's not your fault
We are the few that won't say nothing right
We are the footsteps fading into the night
Nobody cares and nobody stares
With such conviction and I say
I never wanted this, no one ever wanted this
But they gave it to you so you might as well be proud of it
I don't know where we went wrong
All I know now is I got to do something right
We are the few that won't say nothing right
We are the footsteps fading into the night
Nobody cares and nobody stares
With such conviction and I say
I never wanted this, no one ever wanted this
But they gave it to me so I might as well be proud of it
And I know I've done something wrong
All I know now is I got to do something right
