Stupid Boy (The Voice Performance)

Cassadee Pope

She was precious like a flower
She grew wild, wild but innocent
A perfect prayer in a desperate hour
She was everything beautiful, and differentStupid boy, you can't fence that in
Stupid boy, it's like holding back the wind
She laid her heart and soul right in your hands
And you stole her every dream and you crushed her plans
She never even knew she had a choice and that's what happens
When the only voice she hears is telling her she can't
Stupid boySo what made you think you could take a life
And just push it, push it around
I guess to build yourself up so high
You had to take her and break her downShe laid her heart and soul right in your hands
And you stole her every dream and you crushed her plans
She never even knew she had a choice and that's what happens
When the only voice she hears is telling her she can't
You stupid boyOh, you always had to be right
But now you've lost the only thing that ever made you feel aliveYou stole her every dream and you crushed her plans
She never even knew she had a choice and that's what happens
When the only voice she hears, is telling her she can'tYou stupid boy, oh
is the same old same old stupid boyIt took a while for her to figure out she could run
But when she did, she was long gone, long gone
