Pussy

Rammstein

Too big, too small?
Size does matter, after all
Zu gro, zu klein?
Er knnte etwas grer seinMercedes-Benz und autobahn
Alleine in das Ausland fahren
Reise, reise fahrvergngen
Ich will nur spa, mich nicht verliebenJust a little bit, just a little, bitch
You've got a pussy, I have a dick
So what's the problem?
Let's do it quickSo take me now before it's too late
Life's too short, so I can't wait
Take me now, oh, don't you see?
I can't get laid in GermanyToo short, too tall?
Doesn't matter, one size fits all
Zu gro, zu klein?
Der Schlagbaum sollte oben seinSchnes frulein, lust auf mehr
Blitzkrieg mit dem fleischgewehr
Schnaps im kopf, du holde braut
Steck bratwurst in dein sauerkrautJust a little bit be my little bitch
You've got a pussy, I have a dick
So what's the problem?
Let's do it quickSo take me now before it's too late
Life's too short, so I can't wait
Take me now, oh, don't you see?
I can't get laid in Germany
Germany, GermanyYou've got a pussy, I have a dick
So what's the problem?
Let's do it quick!You've got a pussy, I have a dick
So what's the problem?
Let's do it quickYou've got a pussy, I have a dick
So what's the problem?
Let's do it quickSo take me now before it's too late
Life's too short, so I can't wait!
Take me now, oh, don't you see?
I can't get laid in Germany
