

# Pussy

## Rammstein

Too big, too small?  
Size does matter, after all  
Zu gro, zu klein?  
Er knnte etwas grer seinMercedes-Benz und autobahn  
Alleine in das Ausland fahren  
Reise, reise fahrvergnngen  
Ich will nur spa, mich nicht verliebenJust a little bit, just a little, bitch  
You've got a pussy, I have a dick  
So what's the problem?  
Let's do it quickSo take me now before it's too late  
Life's too short, so I can't wait  
Take me now, oh, don't you see?  
I can't get laid in GermanyToo short, too tall?  
Doesn't matter, one size fits all  
Zu gro, zu klein?  
Der Schlagbaum sollte oben seinSchnes frulein, lust auf mehr  
Blitzkrieg mit dem fleischgewehr  
Schnaps im kopf, du holde braut  
Steck bratwurst in dein sauerkrautJust a little bit be my little bitch  
You've got a pussy, I have a dick  
So what's the problem?  
Let's do it quickSo take me now before it's too late  
Life's too short, so I can't wait  
Take me now, oh, don't you see?  
I can't get laid in Germany  
Germany, GermanyYou've got a pussy, I have a dick  
So what's the problem?  
Let's do it quick!You've got a pussy, I have a dick  
So what's the problem?  
Let's do it quickYou've got a pussy, I have a dick  
So what's the problem?  
Let's do it quickSo take me now before it's too late  
Life's too short, so I can't wait!  
Take me now, oh, don't you see?  
I can't get laid in Germany
