

# The Things You Said

## Depeche Mode

I heard it from my friends  
About the things you said  
I heard it from my friends  
About the things you said But they know me better than that  
They know me better than that  
They know my weaknesses  
I never tried to hide them  
They know my weaknesses  
I never denied them I heard it from my friends  
About the things you said  
I heard it from my friends  
About the things you said How can a view become so twisted?  
How can a view become so twisted?  
They know my weaknesses  
I never tried to hide them  
They know my weaknesses  
You tried them I get so carried away  
You brought me down to earth  
I thought we had something precious  
Now I know what it's worth I heard it from my friends  
About the things you said  
I heard it from my friends  
About the things you said I've never felt so disappointed  
Never felt so disappointed  
They know my weaknesses  
I never tried to hide them  
They know my weaknesses  
You thought that you liked them They know me better than that
