

Lovin (feat. Neon Hitch)

Breathe Carolina & APEK

I'm not afraid of flipping the tables
But I just can't pretend
We fight just to makeup, then when we wake up
We'll do it all again I want it all
Your chemical
Get me high
I won't regret
Give me it all
Get physical
This is the night We won't forget
I don't know what you're doing to me
But I like that lovin'
Like that lovin'
God damn, yeah, it's been a long week
Now it's time for lovin'
Time for lovin'
I don't know what you're doing to me
But I like that lovin'
Like that lovin'
God damn, yeah, it's been a long week
Now it's time for lovin'
Like that lovin'
God damn, yeah, it's been a long week
Now it's time for lovin' Time for lovin'
Time for lovin' No one could save us, maybe we're dangerous
But we can't get enough
Second I taste it, I'm already wasted
Well, you're my pick me up I want it all
Your chemical
Get me high
I won't regret Give me it all
Get physical
This is the night
We won't forget I don't know what you're doing to me
But I like that lovin'
Like that lovin'
God damn, yeah, it's been a long week
Now it's time for lovin'
Time for lovin'

I don't know what you're doing to me
But I like that lovin'
Like that lovin'
God damn, yeah, it's been a long week
Now it's time for lovin' Time for lovin'
Like that lovin'
God damn, yeah, it's been a long week
Now it's time for lovin'
Time for lovin' I want it all
Your chemical Get me high
I won't regret
Give me it all
Get physical
This is the night
We won't forget I want it all
Your chemical
Get me high
I won't regret
Give me it all
Get physical
This is the night
We won't forget.
