BURNIN'

Ini Kamoze

Like a fire, like a fire, like a fire, like a
Like a fire, like a fire, like a fire, like aBurnin', burnin', burnin' burnin'
Ya love is burnin'
Burnin', burnin', burnin' burnin'
Ya love is burnin'Could burn a hole in a big man's chest
I guess, when ya hot, ya just hot
When I'm in the cold and I need some rest
I love what ya got in your love potI don't pretend to be Romeo, no
I didn't rehearse no love line
When everyone tells me no, no, no, no, no
You give me all of your time, your timeBurnin', burnin', burnin' burnin'
Ya love is burnin'
Burnin', burnin', burnin' burnin'
Ya love is burnin'Ya mommy and daddy would stomp and say
Don't mix with Caribbean boys
I am just gladdy when I hear you say
I bring ya comfort and joyJust like a shower
You freshen me up every time
And every minute, every hour
You got me feeling so fine, so fineCould burn a hole in a big man's chest
I guess, when ya hot, ya just hot
When I'm in the cold and I need some rest
I love what ya got in your love potI don't pretend to be Romeo, no
I didn't rehearse no love line
When everyone tells me no, no, no, no, no
You give me all of your time, your timeBurnin', burnin', burnin' burnin'
Ya love is burnin'
Burnin', burnin', burnin' burnin'
Ya love is burnin'
Burnin', burnin', burnin' burnin'
