

# Your Love Never Fails

## Jesus Culture

Nothing can separate  
Even if I ran away  
Your love never fails I know I still make mistakes  
But You have new mercies for me everyday  
Your love never fails You stay the same through the ages  
Your love never changes  
And may be pain in the night  
But joy comes in the morning And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
Your love never fails The wind is strong and the water's deep  
I'm not alone in these open seas  
'Cause Your love never fails The chasm is far too wide  
I never thought I'd reach the other side  
'Cause Your love never fails 'Cause you stay the same through the ages  
Your love never changes  
There may be pain in the night  
But joy comes in the morning And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
Oh no, love never fails 'Cause You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good 'Cause you stay  
'Cause you stay the same through the ages  
Your love never changes  
It may be pain in the night  
But joy comes in the morning And when the oceans rage  
I don't have to be afraid  
Because I know that You love me Love never fails You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make, you make all things work together for my good

You make all things work together for my good  
You make all things work together for my good  
'Cause You make all things work together for my good'Cause you stay the same through the ages  
Your love never changes  
It may be pain in the night  
But joy comes in the morningAnd when the oceans rage  
I don't have to be afraid  
Because I know that You love meNever fails
