

# Shining Through the Door

## Circle Jerks

Never mind how I got all that money  
Money doesn't buy me peace of mind  
Never mind that I can't find a reason  
Reason doesn't ease these troubled times  
In this life of degradation  
When nothing seems to be worth living for  
Truth will come bringing salvation  
And that light will come down shining through the door  
Every time I try to find a purpose  
Purpose seems to turn to disarray  
Every time I try to find a meaning  
Meaning wants to just slip away  
In this life of degradation  
When nothing seems to be worth living for  
Truth will come bringing salvation  
And that light will come down shining through the door  
The door... shining through the door  
The door... shining through the door  
Sometimes it's sad  
Sometimes it's funny  
We have the power to elevate ourselves  
So I guess we have to keep on going  
As dust keeps building layers on our shelves  
We have the power to elevate ourselves  
Never mind how I got all of that money  
Money doesn't buy me peace of mind  
Never mind that I can't find a reason  
Reason doesn't ease these troubled times  
In this life of degradation  
When nothing seems to be worth living for  
Truth will come bringing salvation  
And that light will come down shining through the door  
Shining through the door  
Through the door  
Shining through the door  
Shining through the door  
Shining [x5]  
Keep on shining through the door
