Summer Moved On

A-ha

Summer moved on and the way it goes, you can't tag along
Honey moved out and the way it went leaves no doubt
Moments will pass in the morning light I found out
Seasons can't last and there's just one thing left to ask
Stay, don't just walk away and leave me another day
A day just like today with nobody else around
Friendships move on until the day you can't get along
Handshakes unfold and the way it goes no one knows
Moments will pass in the morning light I found out
Seasons can't last so there's just one thing left to ask
Stay, don't just walk away and leave me another day
A day just like today stay, don't just walk away with nobody else around
Seasons can't last and there's just one thing left to ask
Stay, don't just walk away and leave me another day
A day just like today stay, don't just walk away with nobody else around
Summer moved on
