

Sing My Song

Bob Sinclar

Don't you wanna go with me
And sing my song? Hey hey yeah
Come and sing my song
Come and sing my song
Come and sing my song, oh, oh, oh Yeah, come, come
So sexy, go crazy, my baby, no maybe
If you want me so sexy
Come and sing your song You're so sexy, oh, my baby
If you want me, come and sing my song
Pretty young babe, cost you nothing
Take a chance if you sing my song I got something, if you want it
You can have it if you sing my song
Hey sexy lady, let's go crazy
Ain't no maybe if you sing my song, yeah Sing my song, sing my song
Sing my song, sing my song
Sing my song, sing my song
Sing my song, sing my song Give it to me

Well, our hearts will soon take a light
On a Saturday night
And our future looks so bright
Live your life Music is in all of our eyes
Shining right
Love each other all this night
And maybe your last night Don't you wanna go with me
And sing my song? Hey hey yeah
