

Spit In Your Face

Kevin Rudolf & Lil Wayne

Ay, yo, oh, oh, oh

Ay, yo, oh

Ay, yo, oh, oh, oh, oh, oh

So I'mma spit in your faceUh, straight off the bat, I come

Straight off my back with a gun like I'm in Iraq

And in fact I attack and tackle and sack and crack

And crack 'em and snap back and battle my own shadow

'Cause ya'll wack and all thatBullshit ya talkin', startin' to get funky

Toss me the chunky, I'mma brew these punkies

Stir, I'm from the block but you don't pass like a flunkie

We make a bitch a mule and everybody act a donkey

Yes, I want you to come around here with that plan, boy

I'll shoot this motherfucker 'til I burn my hand, boy

Bust up in the court and shoot the witness on the stand, boy

This is my game, ask everybody in the stands, boyI'm all red, I'm on fire like a ant pile

They put the clamp down if I put the stamp down

You get the stampede, I make blood bleed

You suck dick, I succeedYeah, yeah, and this is how victory tastes

So I'mma spit in ya face

KevinSingin', ay, yo, oh, oh, oh

'Cause you'll get sun, you just get it soon
Turn your I.D. to a tombGoons are us, the food's for us
We eat with our hands, no fork and spoon for us
We will take the knives and we will take the wives
