

Ocean

Bebo Norman

If there is a love song left to sing
Then what I have is what I'll bring
Nothing more is more than I can give
If there is a light left in my eyes
It must be Your reflection from the sky
'Cause all I know is this
You are the wonder of my world
You are an ocean that I can get lost in
The first wind on my shore
You are the sunrise to open my eyes
And the dark night is no more
You are an ocean, You are an ocean
And every time I turn around
There's so much more left to be found
And every glimpse steals my breath away
So open up these eyes to see
More of You and less of me
And all my fear is turning into faith
You are the wonder of my world
You are an ocean that I can get lost in
The first wind on my shore
You are the sunrise to open my eyes
And the dark night is no more
You are an ocean, You are an ocean
I'm drowning in Your love
I'm drowning in Your love
Not coming up, I'm not coming up
'Cause You're all I'll ever want
You are an ocean
You are an ocean
You are an ocean that I can get lost in
The first wind on my shore
You are the sunrise to open my eyes
And the dark night is no more
You are an ocean, You are an ocean
You are an ocean, You are an ocean
You are an ocean
