

# Spell It O.u.t.

## Emma Bunton

If I spell it O you T  
Will you get the message finally  
I don't want to fight you see  
But it's the end for you and me  
Sorry that it had to be  
But that's the reality  
Do I have to spell it O you T for you to see  
Dream on in your own little world  
Keep thinking I'm your girl  
Baby I wish you well  
But boy the fact remains  
My story's still the same  
Hard as it is to tell  
I've said it all a thousand times  
Now I gotta be cruel to be kind  
If I spell it O you T  
Will you get the message finally  
I don't want to fight you see  
But it's the end for you and me  
Sorry that it had to be  
But that's the reality  
Do I have to spell it O you T for you to see  
Oh yeah  
You don't get what I say  
You want it all your way  
Hear what you want to hear  
So now I'm showing you  
This time we're really through  
The writing on the wall is clear  
You'll never make me change my mind  
So I'm gonna be cruel to be kind  
If I spell it O you T (O you T)  
Will you get the message finally  
I don't want to fight you see (I don't want to fight, yeah yeah)  
But it's the end for you and me  
Sorry that it had to be (had to be)  
But that's the reality  
Do I have to spell it O you T for you to see (do I have to spell it, O you T)  
(Yeah) You know I gotta

(Yeah-hey) Spell it O you T  
(Gotta tell you now)  
End for you and me  
(You know I gotta)  
(Mmmm, yeah-hey)  
Spell it O you T  
(Gotta hear what I say, yeah)  
(Gotta hear what I say)  
If I spell it O you T (if I spell it O, if I spell it O you T)  
Will you get the message finally (finally)  
I don't want to fight you see (don't want to fight, I'm walking out the door)  
But it's the end for you and me (it's the end of you and me)  
Sorry that it had to be (sorry that it had, sorry that it had to be)  
But that's the reality  
Do I have to spell it O you T for you to see (do I have to spell it, O you T)  
Spell it O you T  
Do I have to spell it O you T for you to see
