

In the End

Nick Jonas & the Administration

This town's too small
You to run around like you do
You're taking things
That just don't belong to youPicture yourself inside a room, now
Imagine the freedom that you lose
Well baby it all comes back to haunt you
In the endBaby it hurts the most when you
Don't have a friend
You know you broke our trust and now you're stuck
On the wrong side of the fence
Baby it all comes back to haunt you
In the endI know you're scared
Somebody will find you out
But you're not aware
We know what you're all aboutPicture yourself inside a room, now
All of your guilt comes down on youWell baby it all comes back to haunt you in the end
Baby in hurts the most when you don't have a friend
You know you broke our trust and now you're stuck
On the wrong side of the fence
Baby it all comes back to haunt you
In the endYou'll cry alone
And nobody will see you through
You made your choice
And there's nothing that you can doCause, well baby it all comes back to haunt you
In the end
Baby it hurts the most when you don't have a friend
You know you broke our trust and now you're stuck
On the wrong side of the fence
Baby it all comes back to haunt you
All, comes back to haunt you
All comes back to haunt you
In the end
