Worth the Wait

A.M. Kidd

I heard you drink
I heard you had a crazy side under your skin,
but you cover up under there and scared of what I think
But tell me why that matters though as long as you stay honest girl
I heard you had
I heard you had a crazy ex that made you bad, they scared to go and trust again
so love is not the plan
tell my why he mad as fuh as long as you stay honest girlI want the good and bad in you, everything that you are
I want every single side, everything part of you
without the good and bad in you, you wouldn't be the same
so take the time that you need, you'll be worth the wait
ay ay, ay ay, you'll be worth the wait,
