

# I Need You Tonight

[ZZ Top](#)

It's three o'clock in the morning and the rain begin to fall  
But I know what I'm needin' but I don't have it all I'm needin' someone like you that I just wanna do love to  
Baby, baby, I need you tonight Outside my window it's lonely and cold  
Inside my heart there's a fire burning out of control Burning for someone like you I just wanna do love to  
Baby, baby, I need you tonight Your love's coming to me like a wolf howling at the moon  
But that just doesn't do me if I can get you soon I'm calling for someone like you that I just wanna do love to  
Baby, baby, I need you tonight
