

# Hey Cool Kid

## Cloud Nothings

hey cool kid hey cool kid  
why don't you want anyone around?  
hey cool kid hey cool kid  
won't you sing to me like i'm on the ground?  
won't you sing to me like i'm on the ground?oh you're such a cool kid  
to hang around  
oh you're such a cool kid  
really got me down  
really got me downhey cool kid hey cool kid  
why don't you want anyone around?  
hey cool kid hey cool kid  
won't you talk to me like i'm on the ground?  
won't you talk to me like i'm on the ground?oh you're such a cool kid  
to hang around  
oh you're such a cool kid  
really got me down  
really got me downhey cool kid hey cool kid  
why don't you want anyone around?  
hey cool kid hey cool kid  
won't you sing to me like i'm on the ground?  
hey cool kid hey cool kid  
won't you talk to me like i'm on the ground?  
hey cool kid hey cool kid  
why don't you want anyone around?
