

# I'll Send Them Your Way

## Cock Robin

You want my love  
Tell me what have you to give?  
What can be done  
When I've my own life to live?  
All that you want  
Is very hard to come by  
No one knows more than I[Chorus]  
Who's got the time and the place  
And the shoulder to cry on?  
For all the trouble we face  
Just someone to rely on  
Show me the love of a friend  
And a dream to get high on  
And I'll send them your way Only if I could  
It's not that my heart does not bleed  
But where shall I look  
To find all these things that you need?  
If you were but one  
That somehow had come to me first  
I could not quench your thirst[Chorus]
