Creatures of the Night

Janet Devlin

The creatures of the night
Me, myself and I
And all that comes to life
The creatures of the night (x3)In the darkness
I can see it all
See it all
See it allIn the darkness
I can see it all
The creatures of the nightHowling at the moon
As it creeps in the twilight
Daylight comes too soon
For the creatures of the nightThe creatures of the night
The creatures of theIn the darkness
I can see it all
See it all
See it allIn the darkness
I can see it all
The creatures of the nightI dont mind being alone
I dont need you to hold me down
I found a home in the stars
Just as long as they dont burn out
They wont burn out, for youThe creatures of the night (x12)
