Free Advice

The Mamas & The Papas

A bit of free advice, we'll tell it to you now
If you've got some habits some people won't allow
Be cool, be clean if you know what I meanWe've all got our ups, we've all got our downs
Some of us are careless and leave 'em layin' around
Be neat, discreet and keep your ear to the groundEveryone has had a loved one whose far, far away
And if you don't wanna take that trip someday
Be cool, be cool, be clean, be clean if you know what I meanEveryone has had a loved one whose far, far away
And if you don't wanna take that trip someday
A bit of free advice, we'll tell it to you now
If you've got some habits some people won't allow
